Subject: Partial Release of Reclamation Surety, Allroc Fine Aggregates LC, Black Rock Quarry, M/027/0088, Millard County, Utah

Dear Mr. Weston:

The BLM inspected the site on September 6, 2013. The Division accepts their findings, and it has been determined that reclamation earthwork has been satisfactorily completed to justify the release of \$6,720.00 from your current cash bond of \$26,200 (plus interest). The amount of \$10,480 has been retained to ensure reclamation and revegetation of the remaining disturbance.

Please find the enclosed check.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Peter Brinton at (801) 538-5258. Thank you for your cooperation.

Sincerely,

Paul B. Baker  
Minerals Program Manager
